Petit Repos

Met de Petit Repos voegt Antonio Citterio een lage fauteuil aan zijn stoelenfamilie toe. Net als de fauteuils Grand Repos en Repos onderscheidt deze stoel zich door de hoogwaardige materialen, het uitstekende comfort en het moderne design. De rugleuning van de Petit Repos is flexibel bevestigd zodat u bij het achteroverleunen comfortabel in de stoel wegzinkt.

Deze stijlvolle clubfauteuil komt zowel in openbare ruimten als in woonomgevingen uitstekend tot zijn recht. Voor beide toepassingen zijn verwijderbare hoezen van verschillende materialen leverbaar.

Materiaal

- **Body:** kunststof frame met polyurethaan-vormschuim.
- **Viersteronderstel:** gepolijst of gepoeder-coat spuitgietaluminium.
